

# PROTECT THE BOND

A COMMUNITY DRIVE FOR SURVIVORS  
AND THEIR PETS

Research consistently shows a strong link between domestic violence and animal cruelty. Abusers often harm or threaten pets as a way to control their victims.

**Abbie's Safe Home** is the largest emergency shelter in Tennessee for the pets of domestic abuse victims fleeing violence homes. When survivors flee abuse, they often leave with very little. Your donations of human and pet necessities help restore comfort, stability, and dignity—a reminder that their safety matters and their bond is protected.
